August 26, 1977

At the budget hearing of the Oconee County Rural Fire Department and County Council on May 25, 1977 Mr. Moore made a motion seconded by Mr. Ables and carried to purchase communication equipment for the new fire station at South Union. The approximate cost to be \$3,500 and to be paid out of the 1976-77 budget.

Since this did not come out of the 1976-77 budget it is approved to charge to the Contingent Account.
