Minutes

First on the agenda was a discussion concerning the proposed Farmer's Market/Pavilion in the City of Seneca. Mr. Michael Young represented the City of Seneca, he asked Council to consider budgeting \$30,000 per year for the next three years beginning with the 1986-87 budget for this project as well as \$56,000 for site preparation. At this time Seneca City Council has not committed any funds to this project.

Farmer's Mark
Discussion

Mr. Dean Boggs spoke on behalf of the farmers in Oconee County, Mr. Boggs feels the structure needs to be redesigned to house more than the twenty (20) stalls for produce as there are now 326 permits that have been issued to the farmers for the selling of produce.

After considerable discussion in which some of the Council Members expressed feelings that the City of Seneca could use part of the \$100,000 tax rebate given to the city by the county for this project Mr. Crain referred this to committee.

Next Mr. Charles Murdock gave an update on the Oconee County Health Department, Seneca Clinic. The clinic now has eleven (11) staff members. The clinic now has 1500 patient records plus shot records, they also have 50-60 patients receiving home health care.

Health Dept.
Seneca Clinic
Update

Mrs. Fay Guy, an employee of the Seneca Clinic informed Council that on a monthly basis they have 75-100 receiving family planning counseling, 350 WIC patients, 20-25 maternities per week and 170-190 patients in general clinic.

Mr. Murdock feels they will outgrow the building within three to four years, it also has a leaky roof, poor lighting, problems with heating and cooling and the floor plan is not good for a health clinic.

Mr. Butts made a motion, seconded by Mr. Dyar, approved 5 - 0 that Ordinance 85-7, "Industrial Revenue Bond Ordinance for Piedmont Quilting Corporation" in the amount of \$1,100,000 be adopted on third and final reading. Ord. 85-7

Transfer

At a previous Council Meeting, Ms. Bonnie Moses of the Election Commission had indicated that perhaps some state funds had been mishandled that should have gone to the Registration Board. However, Mr. Crain read the attached letter from Mr. Ellisor, Executive Director, State Election Commission, stating it is obvious Oconee County spent more than the amount of funds the state has sent for voter registration and election related expenses since 1980.

Letter from
Mr. Ellisor

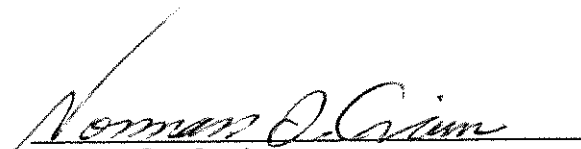

Mr. Williams made a motion, seconded by Mr. Butts, approved 5 - 0 that the county have test(s) made to determine where the courthouse roof is leaking and what needs to be done to stop the leaking. The estimate for this is \$1,450 which would be shared 50/50 with Gulf Construction.
