There was considerable discussion regarding the condition of the roadway and who caused the problem.

Certain of the Council Members had not seen the roadway in question and deemed it necessary to view the problem before voting on the matter.

Before moving on to the field trip to view the problem, Council took action regarding old and new business matters.

At the request of Mr. Hunnicutt, Finance Director, Mr. Strickland made a motion, seconded by Mr. Stone, approved 5 - 0 that \$2,339 be taken from contingency and placed in line item 10 036 00120 36121 for temporary personnel while the permanent personnel is out on sick leave.

Finance Director (Cont.)

Mr. Cain, County Attorney, advised Council that if they determined the county was at fault regarding the roadway problem, the county should enter into a contract with Ms. Moore and as a part of that contract that once the work is done the county be released from any further damage.
