COUNTY OF OCONEE

HANGAR LEASE

THIS AGREEMENT MADE AND ENTERED into this _____ day of _____, 19____, by and between OCONEE COUNTY, SOUTH CAROLINA, hereinafter referred to as "THE COUNTY" and _____, hereinafter referred to as "THE LESSEE".

The County hereby leases to Lessee and Lessee leases from the County "T" Hanger No. _____, more fully described as follows:

for Lessee's aircraft more fully described as:

The County and Lessee agree as follows:

1. Term: Rental of the hangar shall be on a month to month basis beginning on the _____ day of _____ at a monthly rental of _____ dollars per month to be paid in advance. PROVIDED HOWEVER, that either party may terminate such rental at any time upon giving thirty (30) days written notice to the other party hereto.

2. Lessee will pay the rental payments in advance and shall make payments not later than the first day of the lease and thereafter on the first day of each month. PROVIDED HOWEVER, that it is mutually understood and agreed that subject to the termination provisions contained herein, Lessee may make payment of the rental for up to one twelve months in advance, but such payment shall not prevent the County from terminating the lease as provided in paragraph 1 or upon default or non compliance with the remaining terms and provisions hereof.

3. Lessee shall not perform any construction or maintenance in the leased space except minor maintenance. Such minor repairs shall be confined to an individual's personal airplane, and none other, and must be accomplished in accordance with FAA regulations, as well as all applicable State, Federal and local laws or regulations.

4. The space shall not be sub-leased without the prior written permission of the County.

5. Designees of the Oconee County Aeronautics Commission (Commission) and the County shall have the right to enter and inspect the leased area at any reasonable time. Prior to taking possession of the leased space, Lessee shall provide the Airport Manager with a key and/or combination to any locks and locking devices to the leased hangar.

6. Lessee will save the Oconee County Aeronautics Commission and the County harmless and will indemnify the same on account of any injury, claim, demand, suit, or demand by any person on account of injury or damage sustained to persons or property on account of any activity of the Lessee or on account of the use of the space by Lessee in any manner whatsoever.

7. The County shall not be liable for any loss, injury, death, or damage to persons or property which at any time may be suffered or sustained by the Lessee or by any person whosoever may at any time be using or occupying or visiting the demised premises or be in, on, or about the same, whether such loss, injury, death or damage shall be caused by or in any way result from or arise out of any act, omission, or negligence of the Lessee or of any occupant, visitor or user of any portion of the premises, or shall result from or be caused by any other matter or thing, whether of the same kind as or of a different kind than the matters or things above set forth, and Lessee shall indemnify the County against all claims, liability, loss, or damage whatsoever on account of any such loss, injury, death or damage. Lessee hereby waives all claims against the County for damages or injury to the aircraft or property of the Lessee stored in or upon the leased premises or from any cause arising at any time during the term hereof, to include damage resulting from wind, collapse of building, lightening, fire, vandalism, war, theft, or the negligence of any person. The two preceding sentences shall not apply to loss, injury, death, or damage arising by reason of the negligence or misconduct of the County or its employees.

8. Lessee shall keep the area clean and shall not store in the leased area any material or objects, except items or objects which are used in connection with the aircraft while it is in flight.

9. Lessee shall not install or allow the use of telephones or two-way radios in the leased space.

10. Lessee stipulates that (s)he has examined the demised premises, including the grounds and all buildings and improvements, and that they are, at the time of this lease, in good order, repair, and in a safe, clean and tenable condition. At the expiration of the lease term, or upon termination of the lease as provided herein, Lessee shall quit and surrender the premises hereby demised in as good state and condition as they were at the commencement of this lease, reasonable use and wear thereof excepted.

11. The hangars shall be used as a storage facility for the Lessee's own aircraft and no other aircraft, vehicle or material. The demised premises shall be used and occupied by Lessee exclusively for the purposes of aircraft storage. Lessee shall comply with all sanitary laws, ordinances, rules, and orders of appropriate governmental authorities effecting the cleanliness, occupancy, and preservation of the demised premises, and the curtilage connected thereto, during the term of this lease, to include but not limited to all rules and regulations established by the County for use of hangars and/or the County airport and facilities.

12. No dispensing, transfer or storage of flammable or combustible liquids shall be permitted inside of the hangars.

13. No person shall use any flammable liquids (with a flash-point lower than 100 degrees F) to wash parts or to clean any section of an aircraft engine. Lessee shall not keep or have on the leased premises any article or thing of a dangerous or explosive character that might unreasonably increase the danger of fire on the leased premises or that might be considered hazardous or extra-hazardous by any responsible insurance company or regulatory authority.

14. No person shall operate a welding machine or torch of any type in the hangars.

15. No person shall operate grinding equipment in the hangars.

16. No person shall perform any activity that could endanger the safety of the hangars or personnel.

17. No hangar shall be used as a business location, or in any way to generate revenues or reimbursement to the Lessee incident to the sale of parts, maintenance for hire, fuel, sales, instruction for hire, or other activities of a commercial or business nature.

18. No structural changes shall be made to the hangars by the Lessee without prior permission from the County.

19. If the Lessee removes personal aircraft from hangar for a period of more than thirty (30) days without written permission from the County, the Lessee will forfeit said lease. In such event, the Lessee will be given fourteen (14) days to vacate the hangar.

20. Conviction of any felony, by the Lessee, will result in termination the lease. In such event, the Lessee will be given fourteen (14) days to vacate the hangar.

21. If the premises are destroyed substantially by fire or taken by eminent domain, either party may terminate this lease without liability for the remainder of the term. Any condemnation award shall belong exclusively to the County.

22. If any default is made in the payment of rent, or any part thereof, at the times hereinbefore specified, or if any default is made in the performance of or compliance with any other term or condition hereof, the lease, at the option of the County shall terminate and be forfeited, and the County may re-enter the premises and remove all persons and property therefrom. Lessee shall be given fourteen (14) days notice of any default or breach, and termination and forfeiture of the lease shall not result if, within five (5) days of receipt of such notice, Lessee has corrected the default or breach.

23. Waiver by the County of any breach of any covenant or duty of Lessee under this lease is not a waiver of a breach of any other covenant or duty of the Lessee, or of any subsequent breach of the same covenant or duty.

24. If suit is brought by the County for an unlawful detainer of the demised premises, for the recovery of any rent due the provisions of this agreement, or for any obligation of the Lessee arising under this agreement or by law, then Lessee hereby agrees to pay the County all of the costs in connection therewith, including, but not limited to, reasonable attorneys fees, whether or not the action or actions proceed to judgment.

25. This agreement is contingent upon the approval and acceptance by the Federal Aviation Administration, South Carolina Aeronautics Commission and any other appropriate Regulatory Authorities and will be modified upon request of the county if such modification is necessary for compliance with any law or regulation.

26. Invalidation of any part of this agreement by Court Order shall not affect the validity of the remaining terms hereof which shall remain in full force and effect. This agreement shall be governed by and construed in accordance with the laws of the State of South Carolina.

27. This agreement shall be binding upon the parties and their heirs, successors and assigns and may not be assigned without the prior written consent of the other party hereto.

28. Lessee acknowledges that there is limited hangar space at the County Airport and that rental of available hangars is made based upon a waiting list of persons who desire to lease such space. In this regard, should Lessee convey his/her interest or any portion thereof in the aircraft assigned to the leased spaced, then in such event, this lease shall immediately terminate and Lessee shall be required to immediately vacate the space and remove all personal property of Lessee so that the space may be leased to another person. Upon notification by Lessee to the County of such transfer, any remaining rental shall prorated and refunded to Lessee within thirty (30) days. In the event that Lessee fails to notify County of such transfer any advance rental paid shall be forfeited to the County as liquidated damages, which shall be in addition to and not in lieu of any other damages to which the County may be entitled by reason of this agreement or as provided by law.

ORDINANCE 95 - 9

AN ORDINANCE TO AMEND OCONEE COUNTY ORDINANCE 89-5 TO PROVIDE FOR THE CONDITIONAL CONSENT BY OCONEE COUNTY FOR THE ASSIGNMENT OF CABLE TELEVISION FRANCHISE FROM FRIENDSHIP CABLE OF SOUTH CAROLINA, INC. TO GALAXY TELECOM, L.P. D/B/A GALAXY CABLEVISION

WHEREAS, the County of Oconee (hereinafter referred to as the "County") approved and enacted on the third day of October, 1989, Oconee County Ordinance 89-5 which granted a franchise to Friendship Cable of South Carolina, Inc. (hereinafter referred to as "Friendship") to operate and maintain a cable television system within Oconee County outside the corporate limits of any municipalities therein; and

WHEREAS, Friendship has requested that the County consent to the proposed assignment by Friendship of said franchise to Galaxy Telecom, L.P. d/b/a Galaxy Cablevision (hereinafter referred to as "Galaxy"):

NOW THEREFORE, be it ordained by the County Council of the County of Oconee, State of South Carolina, in session, duly assembled, that:

SECTION 1. TITLE. This Ordinance shall be known and may be cited, in addition to the number, as "AN ORDINANCE TO AMEND OCONEE COUNTY ORDINANCE 89-5 TO PROVIDE FOR THE CONDITIONAL CONSENT BY OCONEE COUNTY FOR THE ASSIGNMENT OF CABLE TELEVISION FRANCHISE BY FRIENDSHIP CABLE OF SOUTH CAROLINA, INC. TO GALAXY TELECOM, L.P. D/B/A GALAXY CABLEVISION".

SECTION 2. CONDITIONAL CONSENT BY THE COUNTY. The County hereby approves and consents to the transfer and assignment by Friendship of that franchise granted under Oconee County Ordinance 89-5 to Galaxy, PROVIDED HOWEVER, that such approval and consent is without recourse in any manner against Oconee County and is expressly conditioned and conditioned upon the following:

A. That written notice of the transfer and/or assignment of the franchise by Friendship to Galaxy be given to the Supervisor and Council Clerk within ten (10) calendar days of the completion of such assignment; and

B. That Galaxy expressly assume all of the obligations and responsibilities of Friendship under the franchise and Ordinance 89-5; and

C. Approval of the proposed transfer and assignment by all Federal and State agencies, to include but not limited to the Federal Communications Commission, having regulatory authority or jurisdiction over such transactions; and

D. Retention by Oconee County, its successors and assigns, of any and all rights and authority as provided by Federal, State or local law now existing or hereinafter enacted; and

E. That within ten (10) calendar days of the enactment of this Ordinance, Galaxy file with the Supervisor and Council Clerk its unconditional acceptance of this Ordinance and its agreement to be bound by its provisions, terms and conditions as well as those contained in Oconee County Ordinance 89-5. Such acceptance and agreement shall be in writing, duly executed by or behalf of Galaxy before a Notary Public or other officer authorized to administer oaths; provided however, that should Galaxy fail to comply with such filing requirement, Galaxy shall acquire no right, privileges or authority under this Ordinance or the franchise whatsoever.

SECTION 3. CONSENT SHALL NOT CONSTITUTE WAIVER. The consent by the County to the assignment by Friendship to Galaxy shall include consent to Galaxy's grant of a security interest in its interest in the franchise or in income derived from the operation of the cable television system to lenders to the extent that such grant or pledge is necessary to finance the acquisition of the franchise by Galaxy, PROVIDED HOWEVER, that any such pledge or grant shall be subordinate to the rights and authority of the County as provided in this Ordinance, Ordinance 89-5 and any other provision of law or regulation now existing or hereinafter enacted, it being expressly understood and agreed that nothing contained herein shall constitute a waiver or subordination of any powers, remedies, rights, or authority of the County as contained in this Ordinance, Ordinance 89-5 or any other provision of law now existing or hereinafter enacted.

SECTION 4. TRANSFER OF FRANCHISE. Galaxy shall not transfer this franchise to any other person or entity without the prior approval of the Oconee County Council given in session, duly assembled.

SECTION 5. ORDINANCE AFFIRMED. All terms, conditions, provisions and requirements of Oconee County Ordinance 89-5 are

hereby affirmed and shall continue in full force and effect.

Dear Mr. Towe:

On October 17, 1995 I presented your request concerning the County accepting ownership of Razorback Lane (S-397) to the Oconee County Council.

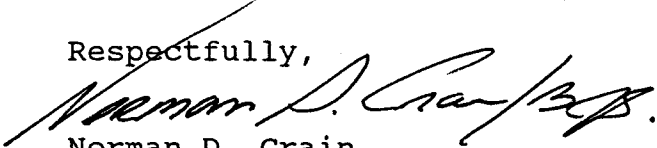

The County Council expressed a desire to assist the school with this matter but was reluctant because of potential safety and liability problems, to accept a road and allow curb cuts for new roads after the state highway had denied a similar request.

Therefore, the County Council voted unanimously to not accept the road into the county road system, but, if it is legal, to assist the school district in the maintenance of the roadway should the district accept it from the state.

If I can be of any further assistance in this matter or any other please do not hesitate to contact me.

With warm regards, I am

Respectfully,

DATE: October 24, 1995

On Monday, October 16th, Buddy Hawk brought me another list of roads that have experienced damaged pipes or shoulder damage from more recent heavy rains. He had originally reported only one pipe damaged back on September 13th, and had brought me a copy of the bid from Soil and Water where Tipton and Young Construction has been awarded placing rip rap at \$23.00 per ton (TS Jerry 01 contract). I issued a purchase order to Tipton and Young for \$1,250 based on the \$23/ton price they had successfully bid to Soil and Water.

On September 18th, Mr. Hawk informed me of a bad wash at the airport and another on Fawn Drive that urgently needed repairs. It was my recommendation to County Council that this work be awarded to Tipton and Young Construction and the formal bid procedure be waived based on previously awarded contracts. This was approved and a change order was issued in the amount of \$21,950.

The list of roads Mr. Hawk submitted on October 16 was from damage sustained during Hurricane Opal; however, there was not enough wide-spread damage in Oconee County from "Opal" to qualify Soil and Water for another contract. I understand that there is also an urgency in getting these roads repaired, and that Tipton and Young has again agreed to offer the County the same price of \$23/ton. In view of the circumstances, I again will make the recommendation that the formal bid procedure be waived in accordance with the Purchasing Manual, number 2 on page 8.

Hopefully, this will be the last of the pipe repairs and replacements.
