ATAX Committee
Oconee County

Dear Committee Members:

Attached is a grant application for funding assistance to allow the Greater Seneca Chamber of Commerce to sponsor the Jerry Rhyne Fishing Tournament this March. This event has been held previously on Lake Keowee and has a very successful track record. However, in the past this event has been sponsored by a small business person in the area and the demands of this event have become too great for him to continue in a sponsoring capacity. In turn, this individual approached the chamber in an effort to ensure this worthwhile event continues.

After careful evaluation by the chamber board, it was determined that this event does indeed promote the area and brings in quite a bit of business for local hotels, restaurants, sporting goods and numerous other local businesses. On behalf of the Greater Seneca Chamber of Commerce Board of Directors and its membership, I want to thank you for your time and serious consideration of this grant request.

Sincerely,

A handwritten signature in black ink that reads "Tim Pettit". The signature is written in a cursive style.

DEMOGRAPHIC/ATTENDANCE INFORMATION

This event has been held previously and has attracted 500 participants each time. These participants come from as far away as Massachusetts and Florida (please see attached list furnished by Jerry Rhyne - the actual addresses are considered confidential so he only supplied us with the state that the participants are from). In addition to the actual participants, numerous individuals who follow professional fishing also attend the weigh-in of the tournament each day (these individuals come from the local area and do not require hotel accommodations). You'll also find attached a letter from the Days Inn of Seneca who informed us that all motels in the area are full with participants the week of the tournament. They have also included the states where their guests are from during the tournament week. Fishermen are allowed to practice fish the lake a few days ahead of the tournament so most are in the area for the better part of the week.

Sincerely Yours,

Jerry Rhyne

SUBJECT: BASS FISHING TOURNAMENT

Mr. Pettit:

We have been the host motel to the bass fishing tournament for the past seven (7) years.

We are full for the whole week as are other motels in the surrounding area. It brings additional revenue to us, other motels and various businesses in the area.

We appreciate their business and enjoy seeing the familiar faces that come back to us each year.

We start taking reservations for this tournament as early as six (6) months prior to the week they come in.

*** FAX MEMO ***

To: Opal Green
Oconee County Council Office

From: Steven Brewer
Oconee County Arts & Historical Commission

Re: Funding requests

Dear Ms. Green,

I am faxing you a copy of the Oconee County Arts & Historical Commission's minutes for October 15, 1996. At this meeting the commission recommended that three projects receive funding from the Performance Funds in the Arts & Historical Commission budget.

Once this type of action was taken by the Commission, Mr. Hesterberg would talk care of the filing process and insure that the grant monies were issued. Unfortunately since Mr. Hesterberg's death the Commission is a little in the dark as to what has been completed and what the proper procedures are for requesting these funds. I appreciate your assistance in assuring that action is taken on these requests.

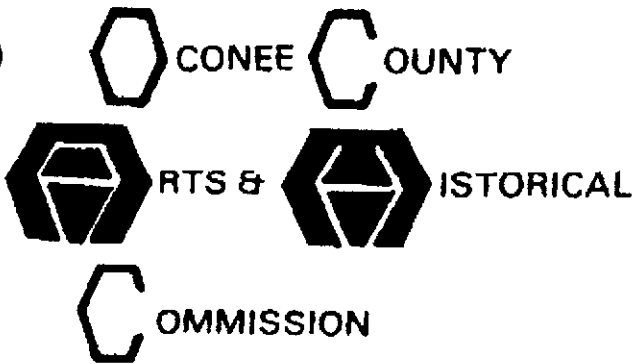

Please give me a call at 882-2080 if you have any questions on these minutes or if I can be of any assistance.

Sincerely yours,

Steven Brewer, Secretary
Oconee County Arts & Historical Commission

POST OFFICE BOX 217
WALHALLA, SOUTH CAROLINA 29691

October 15, 1996

In attendance: Steven Brewer, Stan Cappiello, Shirley Carter,
Ernst Hesterberg, Gay McCord and Mary Simpson.

The meeting was called to order at 5:04pm by Chairperson Hesterberg.

Minutes of the last meeting were distributed, motion by Cappiello to accept as written, seconded by Simpson, motion carried.

Hesterberg reported that the budget that was submitted to County Council was approved. The only change in the 1996-97 budget, as compared to the 1995-96 budget, was an increase for the Oconee Community Theatre's building fund from \$2,000 to \$5,000.

Hesterberg presented the following three requests for funding:

(1) The Oconee Community Theatre requested assistance with their Youth Theatre Program. Theatre classes for Oconee County Students in grades 4-8 are now being held on Tuesdays for beginners and Thursdays for advanced students. The Theatre currently has 10 students that need financial assistance to attend these classes. Also, due to a decrease in funding from the SC Arts Commission, help is needed with the operating expenses. A letter was received from Sybil Miller, the youth Theatre coordinator, requesting a \$1,000 grant from the OCA&HC.

(2) Chris McPhail with the Greater Seneca Chamber of Commerce requested help for Oconee Country Christmas on Saturday November 9, 1996. They have two bands performing at the festival, 4-Of-A-Kind and the Bad Creek Band. Ms. McPhail was requesting \$500.00 to cover the cost of the Bad Creek Band.

(3) Blue Ridge Art Council requested \$3,000 to assist with the Arts in Education (AIE) program that they administer in conjunction with the Oconee County School System. This program funds arts workshops for all county schools.

Cappiello moved that all three of these requests be approved and funded out of the Performance Funds, McCord seconded, motion carried.

The meeting was adjourned at 5:24pm.

Respectfully,

Steven Brewer, Secretary

Oconee County Arts & Historical Commission

**Re: Engineering Services
Nason Sewer Project**

Dear Mr. Orr:

The Sewer Commission voted last evening to recommend to the County Council that Goldie & Associates be selected to provide engineering services on the above referenced project. This recommendation is based upon the following information:

- 1) This firm provided the Preliminary Engineering Report for the project which was submitted to the State in order to obtain the grant funds.
- 2) The fee structure is within the guidelines for this type of professional services and total 10.6% of the total estimated costs for the project.
- 3) Goldie is located in Oconee County, and the project requires daily inspections by the engineering representative.
- 4) It is in the County's best interest to do so.

This item is on the agenda for tonight's meeting. Thanks for your consideration.

Sincerely,

Robert C. Winchester
General Superintendent
