Discussion Regarding Action Items

Council consideration of re-designation of Economic Development funding in the amount of \$210,000.00 to the Town of Salem to propel water infrastructure expansion in light of Federal EDA Disaster funding being fully expended prior to the Town of Salem being awarded.

Console Furniture for the Oconee County 911 Center / Communications / \$201,766.96

Budget: \$201,766.96 **Project Cost:** \$201,766.96 **Balance:** \$0

This purchase will be made utilizing 911 surcharge funding. Once completed, Oconee County will receive an eighty (80) percent reimbursement for the 911 funds from the State of South Carolina.

This purchase is to replace the console furniture in the Oconee County 911 Center. The 911 Center was originally constructed and current consoles were purchased / installed in 2004-2005. These consoles are used 24/7 and after 15 years of use they are failing mechanically and require replacement.

It is the staff’s recommendation that Council [1] approve the purchase of console furniture for the 911 Center from Xybix Systems, Inc of Littleton, CO in the amount of \$191,870.75 and [2] approve the payment of \$9,896.21 to the SC DOR for sales and use tax.

OCONEE COUNTY CIDR (County Issuance of Decal and Registration) AGREEMENT (Decal / Registration issuance) and the PIRA (Personal Information Release Agreement) for local agency with South Carolina Department of Motor Vehicles for Oconee County Treasurer's Office

The County Issuance of Registration and Decal (CIDR) program allows the County Treasurer to issue decals, on site, with vehicle registration upon payment of property tax for regular renewals. Regular renewal information is provided to the County Auditor from the Department of Motor Vehicles (DMV) prior to the expiration of the vehicle registration allowing the Auditor to issue a tax notice which is then mailed to the Taxpayer. Vehicle registration fee is currently collected every two years.

Exceptions:

- If the tax notice includes the renewal fee and are paid late, the Treasurer's office cannot print the decal.
- Decals cannot be printed for first time registration of vehicles. The taxpayer must register the vehicle with the County Auditor and then pay tax to the Treasurer who in turn issues a paid tax receipt which must be presented to the DMV to obtain/purchase a tag and registration.
- Decals cannot be printed if the DMV has a hold on registration. DMV places holds for various reasons which may include insurance issues or driver suspensions.

Staff recommends that The County [1] enter into the attached CIDR contract and PIRA agreement with the South Carolina Department of Motor Vehicles and [2] authorize the County Administrator to sign the CIDR Contract and PIRA Agreement
