## III. NARRATIVE PROJECT DESCRIPTION

A. Project Title 23<sup>rd</sup> Annual Juried Art Show-"Framed"

B. Description of project The annual juried show is an opportunity for BRAC to encourage artists both from our membership as well as from outside the area to join in a prestigious event. The use of advertising in a wider area and enticement of higher cash awards will draw more artists to Oconee County for the show. The continuation of the "one-man show" awards, modeled after the Arts Company award, will attract more diverse artists to the juried show. This, in turn, will attract a larger number of visitors to view the show at the gallery. Due to the amazing positive response of the "Salon" it will again be offered to the public but will be held in the studio of the Blue Ridge Arts Center like last year.

C. Who will benefit from this project? The entire county can benefit from the dollars spent by the visiting artists who enter a show of this caliber with awards that justify the entry and traveling fees involved. Friends, families and vacationers will also be attracted to the show, which will be promoted throughout the state.

# VI. DEMOGRAPHIC DATA

How will the project influence tourism in Oconee County? The increase in publicity, cash awards will attract increased artists from a wider geographic area to enter the juried show. The diversity and the level of

quality of the artwork submitted will increase. This will increase the number of visitors both from the local area as well as from afar. These visitors will patronize restaurants, lodging, and shops in the county. As the quality of the show increases, the reputation of the yearly show will continue to attract new tourists to the upstate for years to come. Each of the past two years the juried shows, partially funded by Oconee County ATAX funds have been the most successful and highest attended juried shows in BRAC's history. Blue Ridge Arts Council wants to build on this success, expanding our viewing audience past the South Carolina borders, into Georgia and North Carolina. In addition, due to current economic conditions, travelers are choosing destinations closer to home. Therefore we expect increased interest from within South Carolina and neighboring states.

How many visitors/participants attended the event last year and are anticipated this year? 2012 = 540

How many of the visitors/participants were from beyond a 50 mile radius of Oconee County last year and are anticipated this year? 13% 2012, 15% for 2013.

How many overnight stays were created by this event last year and are anticipated this year? We estimate about 10% to be overnight stays.

How do you plan to advertise this event beyond a 50 mile radius of Oconee County? State wide media press releases, Sandlapper Mag., Greenville News, Anderson Independent, Golden Corner, Lake Living, Mag., & Carolina Arts Mag (N & S.Carolina), Laurel, SCAC website and BRAC website & links

What other documentation can you provide demonstrating this event promotes Tourism in Oconee County? (i.e. photographs, letters from local chambers of commerce, restaurants, shop or accommodations owners)

BRAC attendance log, advertising will be designed to include website response coding for tracking effectiveness of ads to the target audience

What records will be kept during this event to obtain the above demographic data? (i.e. guest logs, phone logs, accommodations contracts, website hits, advertising demographics) <u>BRAC attendance log, website hits and audience responses, community meetings, constant contact email markenting</u>

#### VI. DEMOGRAPHIC DATA

VII. AUDIT

How will the project influence tourism in Oconee County?

The Historic Old Pickens Power Point Program will be used to increase interest in the site and the Foundation. This program will function as an outreach tool to show at civic organization meetings both inside and outside Oconee County. It will also be shown continuously (looping) to visitors (tourists) when the church is open and would spark interest to use the site for their own events such as weddings, graduations, reunions, and as a possible stop for touring groups. Touring groups would include automobile clubs, bicycle, and motorcycle clubs. Since Old Pickens has served in this way previously, power point photographs will document all of the ways the site has been used.

A. How many visitors/participants attended the event last year and are anticipated this year? Not the event but the average number of weekly visitors to the site would be 12. Visitors sign the guest log to document their visit. They come from all over the country (sometimes other countries) almost every day.

B. How many of the visitors/participants were from beyond a 50 mile radius of Oconee County last year and are anticipated this year?

Last Year <u>Daily visitors from outside Oconee County was 85%</u>, <u>Event participants are</u> usually local and so was 10%.

This Year: Because the site is open daily, visitors from outside Oconee County was 85%. Our November event had 20% from outside the county. (The program was designed to draw descendants of early settlers and so the percent from outside the county including other states was higher).

- C .How many overnight stays were created by this event last year and are anticipated this year? Last year: **15** 
  - This Year: 35 (One couple stayed one week at the Walhalla Motel) Folks came to the November event from Alabama, Georgia, North Carolina, Iowa, California, Texas, Washington and Minnesota.
- D. How do you plan to advertise this event beyond a 50 mile radius of Oconee County? There is ongoing promotion for the site by using newsletters, the web site, brochures, photos and newspaper articles. Events are publicized before and after the event by newspaper articles, radio, web site, newsletters, church newsletters, church bulletins, and highway signs.
- E. What other documentation can you provide demonstrating this event promotes

  Tourism in Oconee County? (i.e. photographs, letters from local chambers of
  commerce, restaurants, shop or accommodations owners). Requests for additional brochures from
  Duke World of Energy, tourist stops, and Welcome Centers.
- F. What records will be kept during this event to obtain the above demographic data? (i.e. guest logs, phone logs, accommodations contracts, website hits, advertising demographics) Guest logs collected weekly, web site hits, web site feed back, e mails and renewed memberships from outside the county including from other states.

	Does your organization perform an independent audit? Yes X No Name of the Auditor: Wells Fargo Bank:
VIII.	Will your project be using any funds from another group that received AT AX funds? <b>No</b>

## VI. DEMOGRAPHIC DATA

How will the project influence tourism in Oconee County?

The project brings visitors to our area based on zip code studies and Clemson University studies.

How many visitors/participants attended the event last year and are anticipated this year?

20,000 over the two day festival and the rodeo.

How many of the visitors/participants were from beyond a 50 mile radius of Oconee County last year and are anticipated this year?

33% of the people surveyed were from beyond a 50 mile radius.

How many overnight stays were created by this event last year and are anticipated this year?

Of the people surveyed, a total of 27% stayed overnight as a direct result of the South Carolina Apple Festival. This is based on the Clemson University survey done year before last. The projection would be at least the same as last year. A survey will be conducted again this year as well as information from Magnolia Manor and other lodging facilities.

How do you plan to advertise this event beyond a 50-mile radius of Oconee County?

Radio ads, Newspaper ads, Television ads, and magazine ads to promote the South Carolina Apple Festival in areas outside the 50 mile radius requirement.

What other documentation can you provide demonstrating this event promotes tourism in Oconee County? (i.e. photographs, letters from local chambers of commerce, restaurants, shop or accommodations owners)

# Letters of support from merchants and pictures from the 2012 Festival.

What records will be kept during this event to obtain the above demographic data? (I.e. guest logs, phone logs, accommodations contracts, website hits, advertising Demographics)

A survey of zip codes were taken randomly on the streets last year during the two day festival. We keep monthly records at the Chamber of Commerce about our website hits.

#### V1. DEMOGRAPHIC DATA

How will the project influence tourism in Oconee County?

This campaign will be marketing Oconee County to educational intuitions and instructional tour companies engaged in experiential learning for all age of students. This effort will work closely with the Mountain Lakes Convention and Visitors Bureau.

A. How many visitors/participants attended the event last year and are anticipated this year?

<u>Unknown, as this is a new venture.</u>

d are anticipated this year?
•

D. How do you plan to advertise this event beyond a 50mile radius of Oconee County?

<u>This advertisement will appear in the fall 2013 issue of Carolina Field Trips, distribution described</u>
below and single copies 48.000.

<u>Distribution</u>: 8-10 copies of Carolina Field Trips Magazine are enclosed in a custom designed, jet rite, self sealed package. The envelope is addressed to the "Grade Level Team Leader" at each respective school in NC and SC. This is EXTREMELY IMPORTANT.

Total Number of Schools: 3078 in NC Pre-K 8th grade public, private, non public, federal and charters schools

Total Number of Schools: 970 in SC

Bonus Distribution: NC Middle School Assn. Meeting, NCAIS Show (private school assn show). In addition the mailing list of all group travel and group travel leaders from the 2013 American Bus Association held in Charlotte will be utilized.

Counties in NC/SC: They are 100 counties (110 school systems in NC.) and 60 counties in SC so the actual penetration of the publication covers two states and all 160 counties in two states which is a very large regional audience. Our mailing list is also available to new advertisers. New advertisers also receive a story highlighting the new SC Quilt Trail Program plus online exposure on SC related pages on the Carolina Field Trips website which is www.carolinafieldtripsmag.com

Materials Closing: Fall Issue: August 27, 2013, mailed early September 2013.

The direct mail campaign will focus on tour operators and educational intuitions throughout Florida, Georgia, South Carolina, North Carolina and Virginia. A distribution list will be assembled on information received from area destination sites on the Quilt Trail, local area Chambers of Commerce and Mountain Lakes Convention and Visitors Bureau and Carolina Field Trip Company. Anticipated number for Target list is 300 contacts. A package will be sent to target group, included will be a cover letter and information flyer based on advertisement developed for Carolina Field Trip magazine.

The Quilt Trail and Mountain Lakes Convention and Visitors Bureau and others will utilize the flyer developed on tour program at meetings, conventions and other venues.

A new tab will be developed for the Quilt Trail web site highlighting tour program and suggestions for areas of concentration. The major areas of focus will be nature and outdoor adventure, art and historical sites; science and agricultural. Other suggestions will include shopping and dining locations while on the Trail.

Announcements about tour program will be posted on Quilt Trail Facebook and other social media outlets. Requests will be made to local Chambers and Mountain Lakes Convention and Visitors Bureau to promote program though their social media outlets.

Maps about the Trail are at all South Carolina Welcome Centers, and Chambers of Commerce in Anderson, Oconee and Pickens counties. All public sites with quilt blocks have racks cards, as well as tourist information centers in the three counties. Maps have been sent quilt shops in the Tri-sate area and other quilting organizations in the tri- state area.

- E. What other documentation can you provide demonstrating this event promotes Tourism in Oconee County? (i.e. photographs, letters from local chambers of commerce, restaurants, shop or accommodations owners) See Attachments
- F. What records will be kept during this event to obtain the above demographic data?

  (i.e. guest logs, phone logs, accommodations contracts, website hits, advertising demographics) The Quilt Trail will be working closely with the Mountain Lakes Convention and Visitors Bureau to manage all aspects of tour requests. Detailed information on number of persons; where they went; how long they were in Oconee County and where they where from will be maintained by MLCVB.

## III. NARRATIVE PROJECT DESCRIPTION

- A. Project Title Roof Repair Fund
- B. Description of project To repair and replace existing roofs on our Auditorium, stage and Green room buildings

C. Who will benefit from this project? The WCA roof is 100 years old and is in need of repairs. The current leaks if left unrepaired will cause severe damage to our facility and ultimately cause us to shut down. Repairing our roofs will enable us to continue to produce concerts and plays that we will draw attendees from all over the Upstate region. Right now a third of our attendees are considered tourist in that they travel from over 50 miles away.

#### V1. DEMOGRAPHIC DATA

How will the project influence tourism in Oconee County?

Providing us with the funding to repair our roofs will enable us to continue to host the concerts, plays and community events that have become synonymous with the WCA. Without these much needed repairs our facility will be damaged beyond our ability to function as Oconee County's premier entertainment venue.

A. How many visitors/participants attended the event last year and are anticipated this year?

C. How many overnight stays were created by this event last year and are anticipated this year?

Last year: 134 This Year: 155

D. How do you plan to advertise this event beyond a 50 mile radius of Oconee County?

The WCA advertises in select radio, newspaper and cable TV outlets in NE Georgia, Western NC, and the Upstate of SC. We also use Facebook and email blasts to promote our activities.

E. What other documentation can you provide demonstrating this event promotes Tourism in Oconee County? (i.e. photographs, letters from local chambers of commerce, restaurants, shop or accommodations owners)

The WCA is a destination venue that has the capability of drawing patrons from a 100 miles radius of Walhalla. Last year we held over 42 different events that yielded 8910 attendees and 2940 of them were from over 50 miles away. If we can complete our roof repairs we will be able to continue to produce events with even more frequency to draw more tourists to the benefit of Walhalla and Oconee County.

F. What records will be kept during this event to obtain the above demographic data? (i.e. guest logs, phone logs, accommodations contracts, website hits, advertising demographics)

For our type of venue attendance/ticket sales is the measure we use to track our success. We keep detailed records of our attendance for each show we produce. This includes general admission sales, season ticket sales and comps. We use a greeter at all our shows whose responsibility it is to obtain the zip code for all attendees as they enter our facility. This provides us with a tracking mechanism to determine where our patrons are coming from.

#### VI. DEMOGRAPHIC DATA

How will the project influence tourism in Oconee County? "Historic buildings, sites, and landscapes are tangible reminders of the stories that make each of our communities unique. Recognizing a shared history can bring people together and foster a sense of community. Historic places can also help diverse members of a community learn about and appreciate each other's heritage. Participation in organized historic preservation activities such as revitalizing a downtown, protecting a neighborhood, or saving and restoring a local landmark build pride in a community and its special history." (*Preserving Our Past to Build a Healthy Future: A Historic Preservation Plan for South Carolina 2007-2015*, p. 4). "Heritage tourism is the fastest growing segment of travel and tourism, South Carolina's leading industry. Visiting a historic site is the most popular heritage activity in South Carolina. In 2003, more than 1.6 million travelers visited South Carolina's historic attractions and spent a total of more than \$438 million" (*ibid:* p. 8). The most available numbers for Oconee County show a nearly eight percent increase in tourism from 2006 to 2007, with the contribution to the local economy rising to \$46.9 million from \$43.5 million, supporting about 450 local jobs.

- A. How many visitors/participants attended the event last year and are anticipated this year? The Mountain Lakes Region (Oconee, Pickens, and Anderson counties) of the Heritage Corridor had 990,000 visitors and a direct impact of \$66.4 million in 2009. From this initial spending, \$106.8 million of output, \$40.0 million of earnings, \$9.7 million in indirect business taxes, and 1,901 jobs were created.
- B. How many of the visitors/participants were from beyond a 50 mile radius of Oconee County last year and are anticipated this year? n/a
- C. How many overnight stays were created by this event last year and are anticipated this year? n/a
- D. How do you plan to advertise this historic site beyond a 50 mile radius of Oconee County? After rehabilitation is completed in 2013, we will apply to have it included on the Mountain Lakes Region of the SC Heritage Corridor and the National Register for Historic Places.
- E. What other documentation can you provide demonstrating this historic building promotes tourism in Oconee County? (i.e. photographs, letters from local chambers of commerce, restaurants, shops or accommodations owners) The National Trust defines Heritage Tourism as "traveling to experience the places, artifacts and activities that authentically represent the stories and people of the past and present. It includes cultural, historic and natural resources." Old St. John's Meeting House offers an additional stop to the City of Walhalla's Heritage Walking Tour that includes the Oconee Heritage Center, St. John's Lutheran Church and its cemetery, the Cherokee Museum, and the Depot (and eventually the Keowee Courier building).
- F. What records will be kept during this event to obtain the above demographic data? (i.e., guest logs, phone logs, accommodations contracts, website hits, advertising demographics) Both guest logs and phone logs will be used and currently tracking hits to the WP2 website. City of Walhalla logs users of the building.
