 - b) There has been some good turnout.

- c) Going to be getting out information about the class topic in the future.
 - d) Commissioner Sprogis asked about whether someone needs to be a member of OCES to be able to attend the CEP classes. Mike Carroll stated that one would need to be affiliated with an agency to be covered by Worker's Comp. He will investigate further to be sure.
4. Helicopter Insurance
- a) Departments will need to pay for this out of the money given to them by the county.
 - b) SCFA offers coverage at approximately \$160 per member per year.
 - c) There is also 1Safe. No information given on it.
