**STATE OF SOUTH CAROLINA
OCONEE COUNTY
ORDINANCE 2012-28**

AN ORDINANCE TO PROVIDE FOR THE CREATION OF THE STONE POND SPECIAL TAX DISTRICT; TO DESIGNATE THE BOUNDARIES OF THE SPECIAL TAX DISTRICT; TO ESTABLISH THE NATURE OF SERVICES TO BE PERFORMED THEREIN; TO DESIGNATE THE AMOUNT OF UNIFORM ANNUAL FEES TO BE LEVIED AND COLLECTED FOR THE SPECIAL TAX DISTRICT; TO PROVIDE FOR THE OPERATION OF THE SPECIAL TAX DISTRICT; AND OTHER MATTERS RELATED THERETO.

WHEREAS, Oconee County, South Carolina (the "County"), acting by and through the Oconee County Council (the "County Council"), is authorized pursuant to the provisions of Title 4, Chapter 9 of the Code of Laws of South Carolina, 1976, *as amended*, to assess property and levy ad valorem property tax and uniform service charges, including the power to tax different areas at different rates related to the nature and level of governmental services provided; and

WHEREAS, the County Council, pursuant to §4-9-30(5)(a)(ii), of the Code of Laws of South Carolina, 1976, *as amended* (the "Act"), may, upon certification of a petition signed by seventy-five percent (75%) or more of the resident freeholders who own at least seventy-five percent (75%) of the assessed valuation of real property in a given area of the County, pass an ordinance establishing a special tax district for the area in question; and

WHEREAS, the resident freeholders of the Stone Pond Special Tax District (as defined herein), representing at least seventy-five percent (75%) of the resident freeholders and owning at least seventy-five percent (75%) of the total assessed valuation of real property therein, have properly submitted a petition, containing a designation of the boundaries of a proposed special tax district, a description of the nature of the services to be rendered, and the maximum level of taxes authorized to be levied and collected, for such services in such district, to the County Council, requesting that the County Council pass an ordinance establishing a special tax district. A copy of said petition is attached hereto as Exhibit A, and hereby incorporated by reference as fully as if set forth verbatim herein; and

WHEREAS, the aforementioned petition contains 112 signatures out of 143 resident freeholders, and represents Five Hundred Ninety-Five Thousand, Two Hundred Fifty-Three and 00/100 Dollars (\$595,253.00) of total assessed value within the Stone Pond Special Tax District. The County Assessor has certified that the requisite number of signatures representing the requisite amount of assessed value has been established through a review of the ownership records of the proposed Stone Pond Special Tax District. A copy of the Assessor's certification is

attached hereto as Exhibit B, and hereby incorporated by reference as fully as if set forth verbatim herein; and

WHEREAS, the County, acting by and through the County Council, desires to create the Stone Pond Special Tax District, establish the nature of services to be performed, designate the annual tax in the Stone Pond Special Tax District and provide for the authority and operation of the Stone Pond Special Tax District;

NOW, THEREFORE, be it ordained by the County Council, in a meeting duly assembled, that:

Section 1. Creation of Stone Pond Special Tax District. The County Council, acting pursuant to the power and authority conferred upon it by the constitution and laws of the State of South Carolina, hereby creates and acknowledges a special tax district, known as the "Stone Pond Special Tax District".

Section 2. Included Parcels and Boundaries. The Stone Pond Special Tax District shall hereby consist of all of those 107 parcels of real property being more particularly described by Oconee County TMS numbers: 291-01-01-001 through 291-01-01-022 (inclusive), 291-01-02-001 through 291-01-02-061 (inclusive), 291-01-03-001 through 291-01-03-011 (inclusive), 291-01-04-001 through 291-01-04-015 (inclusive), and 291-00-02-046, all at the effective date of this Ordinance. A copy of a map of the Stone Pond Special Tax District, detailing all parcels, is attached hereto as Exhibit C, and is hereby incorporated by reference as fully as if set forth verbatim herein.

Section 3. Appointment of Commission. Pursuant to §4-9-30(5)(b) of the Act, a three (3) member special tax district commission ("Commission") consisting of resident freeholders of Stone Pond Special Tax District who are living within the boundaries of the Stone Pond Special Tax District shall oversee and operate the Stone Pond Special Tax District. The County Council shall appoint the three (3) members of the Commission. Of the initial members of the Commission, one member shall be appointed by County Council to serve a two (2) year term and the remaining two members shall be appointed by County Council to serve four (4) year terms. Thereafter all appointees shall serve for four (4) year staggered terms or until they are otherwise unable or unwilling to serve on the Commission or until their successors are appointed by the County Council and qualified. There shall be no limit on the number of terms which any member may serve. The Commission shall annually elect one of its members to serve as chairperson and one of its members to serve as secretary. The Commission shall meet on call of the chairperson or a majority of its members or at such other scheduled times as it may deem necessary.

The County Council hereby appoints the following individuals and sets the terms for the initial appointments to the Commission, with such appointments beginning _____, 20__:

	four (4) year term
	four (4) year term
	two (2) year term

Section 4. Uniform Annual Fees. Except as otherwise provided herein, uniform fees will be assessed annually ("Uniform Annual Fees") on County tax bills (and collected as a part of the County's annual tax collection process, including, without limitation, with penalties and interest for delinquent payment and with enforced collection, similar to taxes, pursuant to and in accordance with the Special Tax District Act") against each of the tax parcels within the Stone Pond Special Tax District to reimburse the County for the actual cost of the Improvements, whatever such cost shall be (but currently estimated to be approximately One Million and 00/100 Dollars (\$1,000,000.00)) over a ten (10) year period, without interest, such period to begin for the various tax parcel owners in the tax year following the tax year in which the Improvements are completed. The amount of the uniform fee per tax parcel for each year of the ten (10) year period will be calculated by dividing the unrepaid amount of the costs of the Improvements by the then existing number of tax parcels contained within the Stone Pond Special Tax District, and dividing that amount further by the number of years remaining in the ten (10) year period, including the year for which the applicable uniform fee is being calculated.

By way of example only, if the actual costs of all Improvements equal One Million and 00/100 Dollars (\$1,000,000.00), and there are one hundred seven (107) tax parcels within the Stone Pond Special Tax District for the entire ten (10) year period for which annual uniform fees are collected, then the annual uniform fee would equal approximately Nine Hundred Thirty-Four and 58/100 Dollars (\$934.58) per tax parcel (\$1,000,000 cost divided by ten (10) years = \$100,000/year divided by 107 parcels = \$934.58). If, however, in the tenth (10th) year of the repayment period, for whatever reason additional lots are added to the Stone Pond Special Tax District and there are one hundred and eight (108) tax parcels in that tenth year, then the uniform annual fee per lot for the tenth (10th) and final year of the repayment period would equal approximately Nine Hundred and Twenty Five and 93/100 Dollars (\$925.93).

The Oconee County Auditor is hereby authorized, empowered, directed and required to levy upon all taxable real property lying within the boundaries of the Stone Pond Special Tax District, in addition to any county-wide tax, the Uniform Annual Fees calculated in accordance with this Ordinance and the Petition. The Uniform Annual Fees are a charge against and run with the parcels of real property located within the Stone Pond Special Tax District.

Section 5. Authority and Obligations of Commission. The Commission shall not exceed the authority approved under the Petition and this Ordinance. So long as the actions of the Commission do not conflict with lawful actions taken by the County Council or with the laws of the State of South Carolina, the Commission shall have the authority and responsibility to:

- a. approve overall management, operating, and financial objectives for the Stone Pond Special Tax District;
- b. adopt bylaws for the Commission and the Commission's' administration of the Stone Pond Special Tax District;
- c. approve an annual fiscal year budget for the Stone Pond Special Tax District;

d. work with the County Auditor to identify the amount of the Uniform Annual Fee for each year, which work may include, without limitation, making any necessary certifications to the County Auditor, requesting a determination of the amount of the Uniform Annual Fee, and requesting that the Uniform Annual Fee be placed on the property tax bills for properties within the boundaries of the Stone Pond Special Tax District;

e. meet the resulting obligations the Commission incurs on behalf of the Stone Pond Special Tax District, including, without limitation, to effect the repayment of the County for the cost of the improvements;

f. enter into contracts and agreements on behalf of the Stone Pond Special Tax District in furtherance of fulfilling the purposes of the Stone Pond Special Tax District as described herein;

g. hire, retain, and appoint such personnel, not to be County personnel, as the Stone Pond Special Tax District desires to fulfill the purposes of the Stone Pond Special Tax District and to establish the policies, procedures and compensation for said personnel; and

h. exercise any and all other lawful powers necessary or beneficial to operating and maintaining a Special Tax District in furtherance of the purposes of the Special Tax District as set forth herein in any manner not in conflict with the provisions of this Ordinance or the Petition.

Section 6. Personnel. Personnel hired and retained by the Stone Pond Special Tax District, if any, shall be employees of the Stone Pond Special Tax District and not employees of the County.

Section 7. Annual Budget. The Commission shall meet the following requirements for submitting the Stone Pond Special Tax District's annual budget:

a. The Commission shall submit the annual budget to the Oconee County Administrator and the Oconee County Auditor.

b. The submitted budget shall identify the total amount of Stone Pond Special Tax District expenses for the next full fiscal year, and shall show a breakdown of the total by general categories of expense. The budget shall also show a breakdown of expected Uniform Annual Fee revenue, a breakdown of any other sources and amounts of revenue, and the amount of Uniform Annual Fees to be billed and collected by the County with the annual property tax levy.

Section 8. Severability. Should any term, provision, or content of this Ordinance be deemed unconstitutional or otherwise unenforceable by any court of competent jurisdiction, such determination shall have no effect on the remainder of this ordinance, all of which is hereby deemed separable.

Section 9. Repeal of Ordinances, Orders and Resolutions. All Ordinances, Orders, Resolutions, and actions of the County Council inconsistent herewith are, to the extent of such inconsistency only, hereby repealed, revoked, and superseded.

Section 10. Effective Date. This Ordinance shall become effective and be in full force and effect from and after the public hearing and the third reading in accordance with the Ordinances of Oconee County, South Carolina.

Enacted this 14th day of August, 2012.

RE: Stone Pond Subdivision Special Tax District

I am the duly appointed Assessor for Oconee County, South Carolina and I have examined the records of real property on file in the county records pertaining to those real properties constituting the proposed Stone Pond Subdivision special tax district (the "STD"), as shown and described on the STD petition, which I have also examined. In examining those records, I have reviewed the County's records of names of all listed owners for each property encompassed by and within the STD, and reviewed the County's records of the current appraised value of each property encompassed by and within the STD, and I hereby certify that, to the best of my knowledge and upon due inquiry: at least 75% of the resident freeholders (as defined in Section 5-3-240 of the S.C. Code, 1976, as amended, and based on the owners of the real property on record in this office) who own at least 75% of the current assessed valuation of real property in the proposed STD (based on the assessment records in this office and the concurrent certification of the Oconee County Auditor). I have made no effort to verify the authenticity of those signatures. I am providing this certification with the specific knowledge that it will be used by Oconee County Council to determine whether or not to approve the petition and enact an ordinance creating the STD.

Subject: Stone Pond Subdivision Special Tax District

I am the duly elected Auditor of Oconee County, South Carolina and I have examined the records of real property on file in the county records on file in the Oconee County Auditor's office pertaining to those real properties constituting the proposed Stone Pond Subdivision special tax district (the "STD"), as shown and described on the STD petition, which I have also examined. In examining those records, I have reviewed the Auditor's records of names of all listed owners for each property encompassed by and within the STD, and reviewed the County's records of the current appraised value of each property encompassed by and within the STD, and I hereby certify that, to the best of my knowledge and upon due inquiry: at least 75% of the resident freeholders (as defined in Section 5-3-240 of the S.C. Code, 1976, as amended, and based on the owners of the real property on record in this office) who own at least 75% of the current assessed valuation of real property in the proposed STD (based upon tax records in this office and the concurrent certification of the Oconee County Assessor). I have also verified by letter dated May 8, 2012 to 13% of the current freeholders of record that signed said petition requesting verification that they did indeed sign the petition. Only responses in the negative were requested by return phone message to my direct County phone number. As of today, May 16, 2012, I Kenneth E. Nix, Oconee County Auditor, certify that I have received no such verification that any of the 13% randomly selected freeholders responded that they did not sign the STD petition. Out of the 13% I did receive one letter with an indication from the U.S. Postal Service that the letter was undeliverable. I am providing this certification with the specific knowledge that it will be used by Oconee County Council to determine whether or not to approve the petition and enact an ordinance creating the STD.

RE: Stone Pond Subdivision Special Tax District

I am the duly appointed Assessor for Oconee County, South Carolina and I have examined the records of real property on file in the county records pertaining to those real properties constituting the proposed Stone Pond Subdivision special tax district (the "STD"), as shown and described on the STD petition, which I have also examined. In examining those records, I have reviewed the County's records of names of all listed owners for each property encompassed by and within the STD, and reviewed the County's records of the current appraised value of each property encompassed by and within the STD, and I hereby certify that, to the best of my knowledge and upon due inquiry: at least 75% of the resident freeholders (as defined in Section 5-3-240 of the S.C. Code, 1976, as amended, and based on the owners of the real property on record in this office) who own at least 75% of the current assessed valuation of real property in the proposed STD (based on the assessment records in this office and the concurrent certification of the Oconee County Auditor). I have made no effort to verify the authenticity of those signatures. I am providing this certification with the specific knowledge that it will be used by Oconee County Council to determine whether or not to approve the petition and enact an ordinance creating the STD.
