**A. Billing Cycle:** When completing the Bid Form, each line item is for one piece of equipment for one billing period/month/four week billing cycle. It is understood that most rental vendors bill on a four week billing cycle (instead of a 30 day or monthly cycle). This is referred to as a “monthly” charge, but the County understands this will be for a four week billing cycle.

**B. Maximum Hours in a Billing Cycle:** If there are a maximum amount of hours that each piece of equipment can run in a four week billing cycle, please provide this information separately. If there is nothing stated separately about this, then County will only be billed the stated amount per billing cycle.

**C. Taxes:** 6% Sales Tax shall be computed on the rental cost of the equipment only. Delivery Fees and Environmental Fees shall not be taxed. If a 3% “Heavy Use Hwy” surcharge (also called a “State” surcharge) is to be charged, this amount shall also only be computed on the rental cost of the equipment.

**D. Vendor Insurance:** If the vendor is required to provide insurance on their equipment, please list this amount as a one month amount, per piece of equipment quoted.

**E. Quantities:** Quantities for each type of equipment are as stated in the bid document. For the Bid Form, ALL PRICING WILL BE GIVEN FOR QUANTITY ONE OF EACH ITEM LISTED, for a one month time period.
