2. VENDOR'S RESPONSIBILITY: Each vendor shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this RFQ. It is expected that this will sometimes require on-site observation. The failure or omission of a vendor to acquaint himself with existing conditions shall in no way relieve him of any obligation with respect to this RFQ or to the contract.
3. PAYMENT TERMS: Equipment, Goods, and Services – Payment shall be made within 30 days after receipt of equipment, goods and services that are complete and meet all specifications of the RFQ. The County will not make “pre-payments” for any goods or services and partial payments shall be at the discretion of the Procurement Director. The successful vendor agrees to accept electronic payment by Oconee County at no extra charge, should the County decide to use this method of payment.
4. COMPETITION: This solicitation is intended to promote competition. If any language, specifications, terms and conditions, or any combination thereof restricts or limits the requirements in this solicitation to a single source, it shall be the responsibility of the interested vendor to notify the Procurement Office in writing within seven (7) calendar days after receipt of RFQ. The solicitation may or may not be changed, but a review of such notification will be made prior to the award.
5. DEVIATIONS FROM SPECIFICATIONS: Any deviation from specifications indicated herein should be clearly pointed out; otherwise, it will be considered that items offered are in strict compliance with these specifications. Deviations should be explained in detail on separate attached sheet(s). The listing of deviations, if any, is required but will not be construed as waiving any requirements of the specifications. Deviations found in the evaluation of the quote and not listed may be cause for rejection. Vendors offering substitute or equal items should provide information sufficient enough to determine acceptability of item offered.
6. "OR APPROVED EQUAL": Certain processes, types of equipment or kinds of material are described in the specifications and/or on the drawings by means of trade/brand names and catalog numbers. However, the County reserves the right to select the items which, in the judgment of the County, are best suited to the needs of the County based on price, quality, service, availability and other relative factors. Vendors should indicate brand name, model, model number, size, type, weight, color, etc., of the item quoted, if not exactly the same as the item specified. Vendor's stock number or catalog number is not sufficient to meet this requirement. If any vendor desires to furnish an item different from the specifications, vendor shall submit along with the quote, the information, data, pictures, designs, cuts, etc., of the item they plan to furnish so as to enable the County to compare the item specified; and, such item shall be given due consideration. 8. INTERPRETATIONS OR ADDENDA: No oral changes shall be made to any vendor regarding the RFQ or any part thereof. Every request for an interpretation shall be made in writing via email or fax to the Buyer as indicated in the RFQ. Any changes to the specifications shall be in the form of a written Addendum to the RFQ. The Addendum will be posted on the Procurement web site at www.oconeesc.com/procurement. The Addendum will also be emailed to all vendors who have contacted the Procurement Office and asked to be placed on the Bidder's List. It shall be the vendor's responsibility to make inquiries as to the Addenda issued. All such Addenda shall become part of the RFQ and all vendors shall be bound by such Addenda, whether or not received by the vendors.

9. **REJECTION OR ACCEPTANCE OF QUOTES; WAIVER OF TECHNICALITIES AND IRREGULARITIES:**
