[2] Application for [State-Issued Certificate of Franchise Authority](#)

BellSouth Telecommunications, Inc. d/b/a AT&T South Carolina has filed a Notice of Application for Statue Issued Certificate of Franchise Authority. SC Code, Section 58-12-310 requires that, within five days of receipt of the application the Secretary of State must notify each affected municipality and county of its receipt of the application and request certain information. The County must respond to the request within sixty-five [65] days of the date of such request. This request if for Council to authorize the Administrator to complete the paperwork and return within the stated deadline.

[3] [Contract / Tax Collector / up to \\$35,000 / Posting of delinquent notices](#)

The county desires to employ an independent contractor to take exclusive physical possession of properties on which ad valorem property taxes are due, by posting a notice on the premises in accordance with SC Code of Laws, Section 12-51-40. Staff recommends that Council award this contract [not to exceed] \$35,000 to Palmetto Posting, Inc. of Spartanburg, Sc as a sole source provider. There is no cost to the county general budget; the cost is paid for through the funds collected from delinquent tax payers.

[4] [Computers / 53 desktop & 3 laptops / State & NASPO/WSCA contracts](#)

Many of the county's computers have reached or are past their expected life service based on industry standards.
