### Air Quality

Upstate Air Quality Advisory Committee (AQAC)  
Working with Staff from Upstate Counties to Prepare for  
Participation in EPA's Ozone Advance Program

AQAC Currently Drafting Series of Strategies for  
Consideration by Local Governments that Take Part

Similar to Early Action Compact Effort in 2004- Should  
Delay or Avoid More Stringent Penalties Resulting from  
EPA Declaration of Non-Attainment of Anticipated Air  
Quality Standards

### Zoning

#### 5 Rezoning Requests Remain in Process

- Mountain Springs
- Watson II
- Public Lands
- Biggerstaff
- John Hill, Paralel

Additionally, Staff is Aware of a Property Owner that Wishes to Utilize Recently Adopted Provision Allowing for Rezoning of Parcels Contiguous to Areas Already Rezoned

**Goals Established  
in the  
Comprehensive Plan**

A Brief Review  
Planning and Economic Development Committee  
June 14, 2012

---

---

---

---

---

---

---

---

The following slides are intended to illustrate the scope of the goals in the Comprehensive Plan, and to serve as points of discussion during consideration of progress made in achievements to date.

---

---

---

---

---

---

---

---

**Current Comprehensive Plan  
Adopted in 2010**

**Originally Planned to Review Existing  
Plan in 2008; Changes in County  
Spurred on Significant Rewrite and  
Update**

---

---

---

---

---

---

---

---

**The Comprehensive Plan identifies:  
5 major goals  
28 objectives  
128 specific strategies**

**While some strategies have a particular  
timeframe for completion, many others are  
considered part of an ongoing effort.**

---

---

---

---

---

---

---

---

**For the sake of time, this presentation does  
not attempt to present each objective and  
strategy verbatim; instead, similar items are  
condensed and combined into appropriate  
bullet points.**

**Some considered to be more significant or  
noteworthy are presented separately.**
